WHO WE SERVE

We seek to help families in desperate situations. Our application process determines need and ensures proper resource allocation. To qualify, you must meet at least one of our basic guidelines:

- Families with an annual income below \$35,000
- Individuals with an annual income below \$25,000
- Children must be present in the home, and basic needs like food, clothing, utilities, and medical care are inadequate.
- Families who've been affected by a natural disaster or devastating illness.

YOU CAN HELP

To aid families and individuals in need, The Faulk Foundation emphasizes personal involvement over faceless giving, encouraging donors to actively participate and witness case profiles. Your contribution, whether in time or money, will be sincerely appreciated and is guaranteed to make a meaningful difference in someone's life.
