One Hundred Percent Giving

The foundation was founded by **Carolyn Faulk**, CEO and founder of A&C Plastics.

TRADE SCHOOL INITIATIVE:

100% of your support directly impacts students entering the workforce, helping shape futures through hands-on training and real opportunity.

The Faulk Foundation is fundraising for a welding workforce education initiative at WorkTexas, a Houston-based trade school providing hands-on career training. The \$115,000 goal will fully equip one welding classroom, removing financial barriers for students and enabling WorkTexas to increase enrollment and train more than 500 students in a skilled, in-demand trade.
